EDITORIAL - "Be Loyal"

Our "Relay for Life" is over for another year. Next year will be the 20th occasion that Hoo Hoo has participated with our average raising and contribution to the Cancer Council being around \$4000/per year.

1 in 2 Australian men and women will be diagnosed with cancer by the age of 85 (and this does not include non-melanoma skin cancers!)

Cancer is the second most common cause of death in Australia and accounts for 3 in 10 deaths. In 1980, the cancer survival rate was 50% - today 70% will survive at least 5 years after a diagnoses.

While the non-melanoma skin cancers are not included in the cancer statistics or receive the attention of the more aggressive cancers it is sobering to find that in 2016, 1201 people died of melanoma cancer, however there were also 679 deaths from non-melanoma cancer!

Wonderful advances are being done with the treatment of cancer but there is so much more to be done to alleviate the grief and feeling of futility when someone close is fatally affected by this terrible disease.

The few hours contribution by members and generous support from our sponsors can contribute to no better or more worthy cause that well may save a life of someone close or even our own!

THOUGHT FOR THE DAY - This months philosophy

Lao-Tzu was an ancient Chinese philosopher and writer who coined the following phrase:

'If you are depressed you are living in the past.

If you are anxious you are living in the future.

If you are at peace you are living in the present.'

Also

The best sermons are lived, not preached.

Most of the stuff people worry about ain't never gonna happen anyway.

Remember that silence is sometimes the best answer.

The biggest troublemaker you'll probably ever have to deal with, watches you from the mirror every morning.

PRESIDENT: Lachlan's Pontifications

Back – fresh off the boat from Africa!

The biggest take home for me on this trip was the astounding resilience, and growth of the human spirit. It was truly incredible to be a part of a society almost completely absent of material things (i.e. capitalism). I can categorically say that the swazi's are some of the kindest, gentlest, well meaning, open hearted people I've ever met, and I look forward to an opportunity to be a part of something like that again.

The lesson for me? Be humble, be happy – its family (mine, theirs – it doesn't matter) that brings you the most happiness.

Lachlan Rankine – Club 261

TIP FOR THE MONTH -

Do yourself a favour and buy your salamis at the local Italian deli ("Angelo's" in Cairns) rather than the processed, preservative added offering in the supermarkets!

INDUSTRY - DID YOU KNOW -

Not generally in the newspapers but house sales are generally 50% or less of where they were last year but the valuers are busy with valuations for refinancing.
