- 4.be Friendly
- 5.be Tolerant
- 6.be Progressive
- 7.be Industrious**
- 8.be Ethical

EDITORIAL - "Be Industrious"

Or in more succinct terms "Make the most of your time" to work to achieve your goals, and look for the opportunities to make things better.

Membership:

On cost of membership is \$81/per person- \$76 which goes to JIV Hoo Hoo and \$5 to the club coffers.

We need to consider how we can offer value for this cost to the organization or individuals paying! (or maybe an associate membership!)

In the past there has been an inherent obligation for participation to be part and parcel of membership.

I suggest that the philosophy should not be based on participation (but obviously desirable) but rather the pride (and prestige) of belonging to and associating with such an organization with such ideals and history.

Our drive for membership should also encompass organizations and those working for them.

Suggestions:

Activities (rally) which can attract associates and friends of members. (and their children)

Stickers:

- "Proud to be a Hoo Hoo Member"
- "Proud supporter of Hoo Hoo"
